EDUCATION

Vellore Institute of Technology, B.Tech in Computer Science Aug 2023 – Present

- CGPA: 8.38/10.0
- **Coursework:** Data Structures & Algorithms, Database Systems, Operating Systems, Probability & Statistics

Class XII (CBSE) 2022

- Percentage: 91.2%
- School: Bal Vidya Mandir Sr. Sec. School Sambhal

PROJECTS

StudyMate - AI Powered Learning Assistant

github.com/StudyMate 

- Built an AI-powered learning platform using RAG to enable contextual Q&A, summaries, and explanations from uploaded study materials.
- Developed an adaptive quiz system that generates questions from content, provides real-time feedback, and tracks performance using analytics dashboards and scoring metrics.
- Implemented a voice enabled AI coach using Azure TTS with session memory, and integrated Llama 3 with FastAPI backend and Supabase database.

LangGraph AI Chatbot with Tools and Memory

github.com/Chatbot 

- Built a multi-agent chatbot using LangGraph with conditional nodes to control dynamic execution flow and reasoning.
- Integrated external tools (search APIs, custom functions) and implemented persistent memory using SQLite for context aware responses.
- Developed an interactive UI using Streamlit and used Groq APIs for fast LLM inference and real-time responses.

AI Agents - Code & Content Generation Systems

- Developed task-specific AI agents (code writer, blog generator) using LangGraph and modular agent workflows.
- Integrated tools like Serper API for real-time information retrieval and enhanced response accuracy.
- Designed agent pipelines with prompt engineering and tool calling to automate structured content generation tasks.

TECHNICAL SKILLS AND INTERESTS

Languages: Python, JavaScript

AI: RAG, LangChain, LangGraph, CrewAI, Vector Embeddings, Prompt Engineering

Frameworks: FastAPI, Streamlit

Tools & APIs: Groq, Pinecone, Supabase, Serper API, Azure Speech SDK

Concepts: Agents, Tool Calling, LLM APIs, Context Management

CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate - Oracle
- Full Stack Web Development Certification – SimpliLearn
- CSRBOX Applied AI Internship- Learn, Design, and Build with AI – CSRBOX-IBM
